WHY VOLUNTEER? There are many reasons:

- H**elps you share your knowledge and talents
- E**asy opportunities to make many new friends
- L**earn the special fulfillment that only comes from helping others
- P**olish old skills and learn new ones.

The Historical Society needs more active members. It is easy and fun to be a docent at the Museum and Visitors' Center for a few hours on either Fridays, Saturdays or Sundays. Being a Docent at the Museum simply means that you are there to greet visitors, make sure they sign in, give them a copy of our newsletter, point out some of the interesting items on display and if they have a question that you can't answer, direct them to contact one of the WSHS officers listed on the back of this page. You do not have to know all of the history, just know where to direct the questioner.

If you are available to volunteer for a few hours on any of the days the museum is open, please stop by the museum and leave your name with whomever is there or call any of the officers listed on the back of this newsletter and tell them when you can help out.

Another Volunteer Opportunity is available on October 6, 2007 during the West Sacramento Neighbors Fair and Parade. WSHS will have a booth with displays and also will enter a historic fire truck in the parade. Volunteers are needed to help set up, work in and take down the booth, let one of the officers know what time you can
