### Report from President Jim Brewer:

Partnerships within the community are important and powerful. Working together can accomplish great things as already proven with the many events of the past few years. The West Sacramento Historical Society is entering into a shared office and meeting space with the BBCAN (Bryte/Broderick Community Action Committee Network) and the Yolo Housing Authority at the River Bend Manor, 664 Cummings Way (formerly known as the Broderick Senior Center) Rooms are available for both small and large meetings at this site so watch for announcements of exciting events for 2012.

Photo above showed officers & members from both WSHS and BBCAN on Thursday on October 27, 2011 after a 9 am planning meeting and tour!

WSHS maintains the History Gallery exhibit area in the new Community Center following the on-going theme of "Our Journey". A new exhibit entitled East Yolo Veterans of World War II is being installed and will be available for viewing soon. Thanks goes to WSHS officers Thom Lewis, Jim Brewer and Mickey Fausett for all their hard work!
